## **B.S.P.S. CHILD PROTECTION PROCEDURE**

- Child protection is defined in the Children Act 1989 and legislation is in place to protect children from significant harm, abuse (physical/sexual/emotional) neglect and exploitation
- The British Show Pony Society is primarily a children's society and as such takes its responsibilities to ensure that children competing at our events do so in a safe and protected environment
- It is acknowledged that when children compete in B.S.P.S. competitions this is done so in the public domain and relationships between children and any officials is different to those of an instructor/trainer relationship. Therefore safeguards that need to be put in place do not need to be as extensive.
- In all circumstances parents remain accountable and responsible for the safety of their children and their own actions and behaviour towards their own and other people's children whilst competing in B.S.P.S. competitions
- The B.S.P.S. takes its responsibilities in this regard very seriously and requires all its paid employees, directors (Council Members), judges and officials who appear in the B.S.P.S. Rule Book, to voluntarily disclose whether they have any convictions, cautions or outstanding matters that would prohibit or make them unsuitable to be in the close proximity of children or vulnerable adults. (This includes criminal convictions that would otherwise be classed as 'spent' under the Rehabilitation of Offenders Act 1974). This declaration authorises the Society to request an Enhanced Disclosure & Barring Certificate on any person where any concerns are raised and to ban anyone who they deem to be unsuitable from membership of the Society. This procedure excludes BHS/B.S.P.S. Elite Show Trainers and accredited yards, Show Trainers, Head Groom and Show Groom, who appear in the Rule Book as they are subject to BHS Safeguarding & Child Protection policy
- At B.S.P.S. Championship shows, the Society takes the safety and security very seriously and always contract with an appropriate security provider to minimise risks and ensure that everyone can compete in a safe environment
- It is everyone's responsibility to report and take action, if they believe any child is being subject to abuse. In such circumstances, the Society will report these matters to the Police and relevant child protection agencies immediately upon receipt of the information. Information of this nature will not and cannot be kept confidential as the safety of child and young people is paramount

## **British Show Pony Society Disability Policy**

The British Show Pony Society (B.S.P.S.) is supportive of riders competing in its classes who may suffer from a physical or learning disability.

The Society recognises that horses and ponies can have a very positive impact on the lives of people suffering a disability and as an inclusive organisation, will endeavour to be as supportive as possible in these situations.

Riders who have a disability are welcome to compete in B.S.P.S. classes providing the following criteria are met;

- ✓ All riders are judged equally, one against the other;
- ✓ Riders with a disability must only compete in classes in accordance with the rules and eligibility as described in the B.S.P.S. Rule Book;
- ✓ The Society has the right to make reasonable adjustments to allow a rider with a disability to compete in its classes; this is at the sole discretion of the Officers and/or Council of the Society;
- ✓ All riders in B.S.P.S. classes must be competent and able to compete without putting the safety of others at risk
- ✓ Any rider seeking a dispensation card for a permanent or temporary physical disability must also have a doctor's letter stating their fitness to ride in the class (Rule 45; No rider may compete in B.S.P.S. Classes with any type of broken limb).

This policy does not set out all of the circumstances of what are and will be approved as reasonable adjustments to enable a rider with a disability to compete in B.S.P.S. classes.

For example; the Society already issues dispensation cards for riders with a permanent or temporary disability to allow another person to complete the 'In Hand' section of a class (Rule 44).

It is recognised that riders with, for example, hearing loss or learning difficulties may require extra patience and care from stewards, judges and officials to ensure they clearly understand any instructions given to them, e.g., setting a show or being asked questions by the judge. In such circumstances, the parent or relation of the competitor must advise the steward in advance of the class, who will then ensure the judge, is made aware of the particular circumstances in advance of the class commencing and make reasonable adjustments.

Any member who has any issues or concerns regarding competing in B.S.P.S. classes with any form of disability, should contact the Executive Officer of the Society
