SECTION A - DRESSAGE

1. The Test will be conducted and Judged in accordance with the B.S.P.S. Combined & Gold Cup Classes Rule Book.
2. To be ridden in a Snaffle with both hands. All transitions from one pace to another may be progressive, except where otherwise stated.
3. All trot work may be executed sitting or rising.
4. The Test to be ridden from memory. No outside assistance will be allowed.
5. **Entering the Arena**
Competitors must not enter the arena until the judge has sounded the horn, rung the bell or signalled in some other way that he/she may start. Entering before the judge's signal may lead to elimination. Should the construction of the arena make it possible for the competitor to ride round the outside before the Judge's signal to enter is sounded, he may, on the instruction of the organiser and/or judge, ride inside the arena.
6. **Execution of Test.** All Movements must follow in the order laid down in the Test. In a movement which must be carried out at a certain point of the Arena, it is at the moment when the rider's body is above this point that the movement must be executed.
7. **Salute.** All riders must take the reins and whip, if carried, in one hand when saluting and drop the other hand down by the side and bow with their head only.
8. **Resistance**
 - (a) Any pony failing to enter the Arena within 60 seconds of the bell being sounded shall be eliminated.
 - (b) Any pony refusing to continue the Test for a period of 20 consecutive seconds during the course of a test shall be eliminated.
9. **Voice.**
The use of the voice is prohibited and will be penalised by the loss of two marks from those that would have been awarded for the movement in which this occurred.

10. **Leaving the Arena.**

All riders must leave the Arena at 'A' after performing a Test. A pony is eliminated if during a Test, it leaves the Arena when the surround is 9in. high or more. Where the surround is less than 9in. and is marked by boards or similar, no marks shall be given for the movement when the pony places all four feet outside the Arena. Where the Arena is marked by a line only or intermittent boards it is left to the discretion of the Judges as to the marks deducted.

Any pony leaving the Arena not under control will be eliminated and for this purpose the Test begins when the pony enters at 'A' and finishes with the final halt.

11. **Errors of Course**

(a) A rider is judged to have made an 'error of course' (takes a wrong turn, omits a movement etc.) the judge warns the competitor by sounding the bell. The Judge indicates, if necessary, the point at which the competitor must take up the test again and the next movement to be executed.

However, in some cases when, although the competitor makes an 'error of course', the sounding of the bell would unnecessarily impede the fluency of the performance, it is up to the judge to decide whether or not to sound the bell. In fairness to the competitor, it is recommended that the bell should be rung when a movement is executed at the wrong marker if there is the possibility of a similar mistake when the movement is to be repeated on the other rein.

If the judge for any reason does not realise that one or more movements have been omitted until the competitor has left the arena he must:-

- i) Adjust as necessary the position of his marks and comments on his sheet to accord with the movements actually performed.
- ii) Give to each of the movements not executed a mark equal to the average of the collective marks entered at the bottom of his sheet.
- iii) Record the penalty for error of course.

When the rider makes an "error of the Test" (e.g. does not take the reins in one hand at the salute, etc.) they must be penalised as for an "error of course". The judge should put a star against the movement concerned and mark for an error at the bottom of the sheet.

12. **Penalties for Errors of Course**

Every error, whether rectified or not, every omission and every movement taken in the wrong order must be penalised as under:

The first error by	2 marks
The second error	4 marks
The third error by	8 marks
The fourth error by	Elimination

N.B. The penalty marks are cumulative.

13. **Time**

The approximate time given on each test sheet is for guidance only. Time penalties are not awarded under B.S.P.S. rules.

14. **Scoring - Method**

Each Judge may allot from 0 - 10 points for each numbered movement. These marks are then added together and any penalty marks are deducted.

The total marks awarded in the Dressage are converted to a percentage for the scoring.

In the event of a tie, the Collectives will be the decider.

15. **Scale of Marks.** - Scale of Marks as follows:

10	Excellent
9	Very Good
8	Good
7	Fairly Good
6	Satisfactory
5	Sufficient
4	Insufficient
3	Fairly Bad

Helpful Directives for Organisers

Dressage:

Arena (See Diagram on Page 8) is 40m (132') by 20m (66') and should be on flat and level ground, separated from the public on the next door Arena by preferably at least 10m.

The Arena may be marked by either continuous surround of white boards, or by intermittent white boards, placed at each corner and opposite each marker, with a centre line mown from A to C. A gap of about 1m each side of the centre line must be left at A to form an entrance and the A marker placed far enough back, 10m if possible, to allow ponies to enter the Arena on a straight track.

Markers

The outer markers must be clearly visible with the letters displayed in black or white. They should be placed about 2m (6') outside the arena.

Equipment

Judges normally judge from their own cars, placed in line with the centre line, approximately 5m (15') from C. Equipment required:

- 1) Car hooter, whistle or bell (different for each Arena).
- 2) Board and Pencil for Judges writer.
- 3) Judges marking sheets (one per competitor, available from Head Office).
- 4) These Rules.
- 5) List of competitors and their times of starting the Test.

Arena Steward:

One steward for each Arena is preferable, their duties are to see competitors perform their test on time and to check that all saddlery and equipment conform to the rules.

This Rule Book must be available with the list of Competitors times.

Dressage Judges

It is recommended that Dressage Judges be used who are on any of the recognised Dressage Judges Lists.

Each Dressage Judge requires a Writer. Judges may provide their own, but if not the organiser must appoint one.

Results

Scoring Computer

- a) All the marks will be entered into the computer, which will be responsible for producing and printing the results.
- b) The computer will produce the order of jumping list for those competitors required for the Show Jumping phase (reverse order of merit).
- c) The computer will produce the Show Jumping Score Sheet.

Scoring and Scorers

- 1) At least two scorers are required, plus one person to help generally and also write scores on the Boards.
- 2) All score sheets for Section A, B & C are available from Head Office.
- 3) A suitable, quiet area should be available for the scorers, i.e. a Caravan, Tent or similar.
- 4) Score Boards should be available for competitors to see at all times.
- 5) Dressage Score sheets are available for all competitors approximately 1 hour after the completion of the class.

Arena Steward:

One steward for each Arena is preferable, their duties are to see competitors perform their test on time and with the correct equipment and dress, therefore a Rule Book must be available with the list of Competitors times.

Timing

For a Dressage test of 4 minutes approximately the organisers should allow 7 minutes between the start of each Test.
