### Equine Loan Agreements

We can ensure there are no grey areas, and your horse is protected both now and in the future.

### Veterinary, farrier or trainer negligence

We can assess whether you may be able to make a breach of contract or professional negligence claim to cover losses suffered.

### Sale and purchase Agreements

We can help you draw up a Sale Agreement. This will cover all details of the sale and protect your interests if a dispute does arise.

### Public liability

Under the Animals Act 1971, you may be liable for damages caused. Even if you have taken all practicable precautions.

### Horse ownership

If you're buying or selling a horse, it's best to get legal advice as misunderstandings can and do occur.

### Transport of horses / Operator's licence

We can advise you on operator's licence applications, drivers hours, tachographs, driving licences and horse boxes.

### Riding and horse accident claims

If you have been in a horse riding accident, our equine law specialists can work with you to establish who was at fault and ensure you get the compensation you're entitled to.

### Equine disputes

Whether you are buying or selling a horse or are in dispute with a co-owner. Our knowledge of equine law and commercial law means we are well placed to provide tailored advice.
