CLASHING OF CLASSES

Every endeavour has been made to avoid classes clashing, but if an exhibitor finds the times of their classes overlap, it is suggested permission be obtained from the stewards to jump out of turn in the WHP classes and give individual shows ridden and in-hand early in the Show Pony classes, then leave the pony with an attendant. The attendant may not ride the pony. Classes will not be held up for missing competitors. Exhibitors are reminded to consider clashing of either pony or riders before entering.

COMPETITORS LEAVING THE RING TO COMPETE IN OTHER CLASSES

When a competitor asks for permission to leave the ring to compete in another class (except HOYS qualifying classes), the Steward will notify the Show Office, who will then check that the competitor is competing in another class. If it is discovered that the competitor is not actually in another class, they will not be allowed to return to the original class or be considered in the results.

Ponies and Riders must be back into the ring for the final walk round in Flat classes that are not marked.

METHOD OF JUDGING FLAT CLASSES

THE CLASSES WILL NOT BE SPLIT. Blue Riband, Anthony Evans Insurance Champion of Champions and Open Classes will be judged on Marks. The Challenge, Novice, Best of the Best Area Supreme, First Season, Part bred, Tiny Tots flat classes, and the Ronnie Marmont Championship will not be marked.

DECLARATIONS AND ORDER OF JUMPING

All competitors (or their representatives) in W.H.P., MUST report to the collecting ring Steward at least 15 minutes before the commencement of their classes. Unless you do this the Stewards will assume that you do not intend to compete and close the class. All WHP Classes on Tuesday, Wednesday and Thursday ponies will compete in catalogue order and on Friday and Saturday in reverse catalogue order unless there is a good reason not to, when special arrangements should be made with the collecting ring Steward at the beginning of the class.

SHOWING TO MUSIC – message from the JUDGES

Showing to music.

This is the ideal way for you to display the true harmony between you and your horse.

You have 3min to 3.30 minutes to knock our socks off!

There are rules, and those are listed below just to give you an idea of what we would like to see, but most of all we want to be entertained.

Choose pieces of music that really suit your paces and reflect your personality, it's got to be something you both enjoy riding to, and that we will enjoy watching.

Show tunes, film soundtracks, classical, house music, hip hop! we don't care, if it suits you both and we see that extra sparkle then it will give us a reason to award you the best score possible.

A smiling face counts for a lot if you smile your horse knows, and so do we. It's going to tell the judges you've got something truly amazing for us to see.

If you make a mistake keep that grin on your face and we will never know that wasn't what you intended to do.

Be ready for the crowd to clap along, it's your job to get them on your side too, pop your dancing shoes on and have some fun, the technical stuff is so much easier when you're having a good time.

Here's the technical bit, it's only for your guidance so don't let it put you off.

Arena size 20m x 60m

Duration of show 3.00 minutes to 3.30minutes

Permitted movements Collected walk, free walk on a long rein, collected trot, extended trot, collected canter, medium canter, and gallop, rein back.

Competitors must show a minimum of 20m of each movement.

(You are not obliged to show them all, but extra marks are awarded if you do)

FIRST RIDDEN AS ABOVE BUT NO GALLOP

LEAD REIN Permitted movements walk and trot only but with a good variation between working and more collected work. Free walk is permitted. Demi vaults, Serpentine with changes of pace, halts at beginning and end on centre line.

Music Minimum of 1 track, maximum of 4 tracks may be edited to match the show.

Your music should be handed to the Show Secretary, in an envelope with your pony's number, your name and the class entered at least 1 hour before your class.

It must be on a USB memory stick in mp3 format, (not a mobile phone) the music for your show should be the only file on either.

Choreography Circles or semi circles (20m, 15m ,10m)

Work on the track, centre line, and $\frac{3}{4}$ line.

Diagonal lines, serpentines, demi volte, or reverse demi volte.

Halts on the centre line with salute to mark the beginning and end of your show.

The choreography is designed by the rider and the judges do not need to see a transcript of your show.

Riders MUST remain seated in the saddle at all times during the performance.
